We are a Family Winery,

founded in 1989 by Félix Callejo. We are currently the second generation, Cristina, José Félix, Beatriz and Noelia Callejo who continue this exciting legacy.

The experiences in other wineries of both José Félix (Petrus - France, 1999; Torres - Chile, 2000) and Noelia (Araujo - Napa, 2007 and 2010; Cobos - Mendoza, 2008) have provided the basis for further developing a philosophy based on the soil and to be *Vignerons*.

In the year 2000, we began to work in an *ecological* way in our vineyards, a clean, respectful viticulture, full of life for the soils and therefore for our wines.

This step, *made us and makes us return to the past to be able to look to the future*. Observe our surroundings, the landscape that surrounds us, the culture that we have acquired thanks to our ancestors always linked to the world of wine and the authenticity of our land.

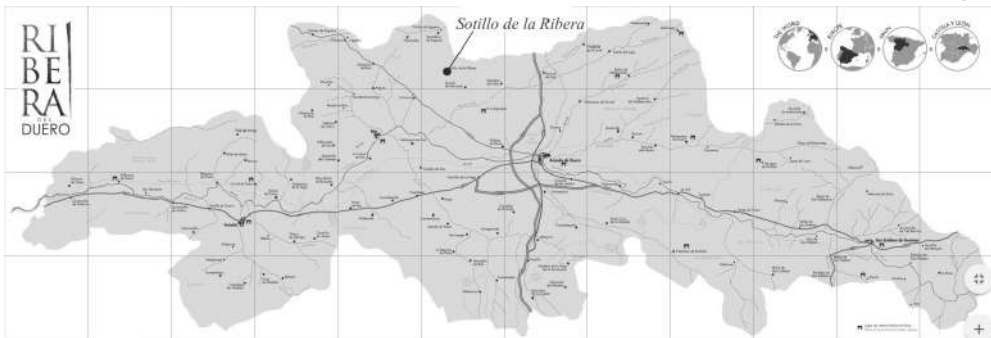

PARAJES DE CALLEJO

PARAJES DE CALLEJO

"This wine represents a collection of sites located in Sotillo de la Ribera, at altitudes between 855 and 870 m altitude. They are franc-clayey soils, with limestone bottoms, very loose soils, and oriented to the south, which allow a perfect maturation. Here Tinto Fino expresses itself with elegance, very primary, with a fine and delicate tannin. With this wine we want to transmit with all its authenticity the flavor of these places of Sotillo de la Ribera."

Our vineyard is located in the village of Sotillo de la Ribera, on the northern edge of the Duero River Valley. We have 60 ha. divided into 25 plots distributed in a profile that goes from 830 m. in the lower parts up to 930 m. in the highest. This situation within Ribera del Duero, offers us soils of different geological origin. The ecological management, respecting each soil, allows us to create wines with soul, authentic and full of the expression of each land.

Vintage 2018

INFORMATION

After the year horribilis 2017 in Ribera del Duero, this year is characterized by an abundant and generous harvest, thanks to the significant rainfall that occurred in spring, recovering the vineyards all their potential.

The winter was cold and with precipitations well distributed in the form of snow. The spring was unusually rainy, with moderate temperatures, causing a certain delay in the vineyard cycle. Later in summer, temperatures recovered with little precipitation. The development of the vineyard was optimal thanks to the water reserves accumulated in the soil. The harvest was made at the beginning of October. The weight of the berries was high and large bunches. Abundant and high quality harvest.

TASTING NOTES

Intense sight cherry color, with an edging of cardinal tones. The nose is very aromatic, primary, with notes of wild red and black fruit, rosemary, lilac, scrubland, oregano, cinnamon, confectionery notes. The palate is complex and structured, highly integrated wood step fruity, black plum and blueberry, smoked fine, mineral character with a lingering finish.
